**NOTICE OF DRAFT PERMIT FOR
PIUTE COUNTY, SPECIAL SERVICE DISTRICT 1
MARYSVALE AND TRI-CITY CLASS IVb LANDFILLS**

Piute County Special Service District 1 has applied to renew their permits to operate two Class IVb landfills – one located approximately 1 mile east of Marysville Town next to the shooting range, and the other approximately 2 miles southwest of Kingston Town in Piute County. Both landfills accept inert (non-combustible non-hazardous) wastes, construction and demolition waste, yard waste, dead animals, and some special wastes such as waste tires and petroleum contaminated soils, as outlined in the permit. The permit application has been reviewed by the Utah Division of Solid and Hazardous Waste and a draft permit has been prepared. The *Utah Solid Waste Permitting and Management Rules* provide for a 30-day public comment period to receive comments on the applications and the draft permits before final action by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board.

The public comment period for the application and draft permit will commence on January 28, 2009 and end on February 26, 2009. A public hearing may be held if the hearing is requested within 15 days of the publication of this notice and otherwise meets the requirements of Utah Administrative Code R315-311-3(2).
